COMMERCIAL PRIOR AUTHORIZATION FORM GUIDE

The form guides below provide an overview of the medical services, medical benefit Rx, and pharmacy benefit Rx that require a Prior Authorization. Use the guides to locate services by eform code or medication by medication name. If you locate the service or medication in the reference guides below, create a new or view an existing status by using [Prior Authorizations](#).

Effective on 1/1/2021, Blue KC Provider Portal will no longer host Prior Authorization eForms. Providers will use the new Prior Authorizations process to view an existing or create a new Prior Authorization request via Blue KC delegated entities.

For providers who would like to continue submitting Prior Authorization requests through Blue KC's eForms (until the 1/1/2021 date), use the eForm pages listed below:

1

2

3

Prior Authorizations for Services, Durable Medical Equipment (DME) and Prostheses requiring Prior Authorization

Prior Authorization for Medications (that are Medical Benefit only)

Prior Authorization requests for medications classified as a Pharmacy Benefit are requested [here](#), via our delegated entity PromptPA.

MEDICATIONS

The following medications or classes of medications require prior authorization. Medications may appear more than once. Please verify you are selecting the medication in the correct category to ensure you download the correct form. Please be aware that as new products are released and post-marketing information on existing therapies becomes available, changes in this list may occur. Physicians and pharmacy providers will be notified of any such changes via newsletters and direct mailings.

- Medications Requiring Prior Authorization
- Medications Requiring Step Therapy
- Medications with Quantity Limits
- Medications that must be obtained from Specialty Pharmacy (30 Day Supply Limit)
- Medications requiring prior authorization and obtained from Specialty Infusion Provider (30 Day Supply Limit)
- High Performance Formulary Plans ONLY
 - Medications Requiring Step Therapy (High Performance Formulary)
 - Medications Requiring Prior Authorization (High Performance Formulary)
- Federal Employee Advance Medical Review

Medications Not Found
All new-to-market medications will require a Prior Authorization. If the medication you are looking for is a new-to-market drug, or is not listed, please complete the General Prior Authorization form.

Name Brand Medications with an available generic
Brand name drugs with an available generic requires the use of that generic. If there is a clinical reason the patient cannot use the generic, it is requires a Prior Authorization.
