

ICD-10 "ROAD TO 10": ICD-10 Implementation Guidance

Your Practice's ICD-10 Transition is in Good Hands. Yours.

The Centers for Medicare & Medicaid Services (CMS), Kansas Medical Society, and Missouri State Medical Association is excited to offer a **free** ICD-10 **Teleconference: Road to 10: A Small Physician Practice's Route to ICD-10.**

- Study the basics, differences, and benefits of ICD-10
- Explore common codes, primers for clinical documentation, and clinical scenarios all broken out by specialty
- Create a customized Action Plan, personalized by specialty and practice details

TELECONFERENCE INFORMATION:

Date: April 8, 2015

Time: 11:45 AM-1:15 PM

Teleconference Line: Dial in number: 1-888-330-9939 PIN: 767288#

LEARNING OBJECTIVES:

Designed for physicians, practice managers, and coders, this educational session will offer background and strategies on ICD-10 implementation so that your practice will understand the business imperative around implementing ICD-10. The presentation will cover the following topics:

- Overview of ICD-10
- Clinical/Business Impacts of ICD-10
- Customizable Action Plan
- Documentation Requirements for Common Health Conditions
- Resources

PDF handout will be available on KMS and MSMA websites prior to the call
